

Chinese II Semester 1

Course Description

This course continues to develop students' language skills by producing meaningful, authentic communication and further develops cultural understanding. To increase proficiency in the domains of listening, speaking, reading, and writing, students actively communicate about topics like The Body, Feelings, See a Doctor, Daily Life, Extracurricular Activities, Film Genres, Figure and Personality and School Life.

After successfully learning this course, students will reach a survival level of Chinese listening, speaking, reading and writing.

Suggested Assistive Technologies

- Screen Readers: [VoiceOver](#) and [NVDA](#)
- Chrome Extensions: [ChromeVox](#) and [Speakit!](#)

Minimum Technical Skills and Special Technology Utilized by Students

This course is totally online. All instructional content and interaction takes place over the internet. In addition to baseline word processing skills and sending/receiving email with attachments, students will be expected to search the internet and upload / download files. In addition, students may need one or more of these [technology plug-ins](#) to access course materials and content.

Students should have access to Microsoft Office or have an established Google account to work on course documents.

Technical Questions? Please contact the [Indiana Online Helpdesk](#).
